8 START PROCEDURES

8.1 Start order and Intervals

8.1.1 Start positions on day one will be determined as follows:

R2N cars will draw top starting positions;

Classic cars will start behind R2N cars;

Open Class cars to follow Classic cars.

2 minute intervals will be applied to each category, however extra time gap may be applied between categories for safety.

The CoC may change the starting order on grounds of safety.

8.1.2 Start positions on day Two will be determined as follows:

The top7 R2N crews as per Day1 result will start in their sequence. The remaining crews will fill from position 8 to the last car in their correct sequence, spare for if the Clerk of the Course deems a faster car to be in the wrong starting position based on seeding and may move such crew(s) up the field based on grounds of safety. The Clerk of the Course may impose a bigger time gap after the leading top 7 and remaining field.
