19.2.1 QUALIFYING

To qualify for the race, riders must record a lap time no longer than 107% of the time recorded by the pole-position rider.

19.2.2 Due to the inclusion of a three race strategy for Super300 and Botts, the Super300 and Botts qualifications will be based on the competitors three fastest times:

- a. Grid positions for Race 1 (S300 & Botts) shall be determined according to each competitor's quickest time set during the official qualifying session held on the day preceding the races or

as otherwise indicated on the official programme for the event. Competitors who do not set a time during the official qualifying session will start Race 1 from the back of the grid, subject to the provisions of Article 7 in the 2018 Regulations & Specifications Circuit Racing.

b. Grid positions for Race 2 (S300 & Botts) shall be determined according to each competitor's second quickest lap time set during the official qualifying session held on the day preceding the races or as otherwise indicated on the official programme for the event. Competitors who do not set a second quickest lap time during the official qualifying session will start Race 2 from the back of the grid, subject to the provisions of Article 7 in the 2018 Regulations & Specifications Circuit Racing.

c. Grid positions for Race 3 (S300 & Botts) shall be determined according to each competitor's third quickest lap time set during the official qualifying session held on the day preceding the races or as otherwise indicated on the official programme for the event. Competitors who do not set a second quickest lap time during the official qualifying session will start Race 3 from the back of the grid, subject to the provisions of Article 7 in the 2018 Regulations & Specifications Circuit Racing.

19.2.3 Qualification for all other classes will not be affected and remain as per *Art 6 Qualifying and grid positions* for all other classes will be.

20. STARTS

20.1 Starting positions will be determined by lap times recorded during official timed practice sessions, unless otherwise stipulated in the regulations for the category concerned. Refer SSR's 26, 27 and 28.

20.2 In the event of timekeeping failure during official timed practice the method by which the starting grid shall be allocated shall be at the discretion of the Clerk of the Course, in consultation with the relevant Association Chairman and with the approval of the Stewards of the Meeting.

20.3 Where there are two races per category, the starting order for the second race shall be established in accordance with SSR 29.

20.4 For all classes, the Grid will be arranged in the "in echelon" 3-3-3-3 configuration. Each line will be offset. There will be a distance of 9 metres between each row.

20.5 Permission to start at the back of the grid:

20.5.1 Competitors who do not participate in official timed practice must apply to the Clerk of the Course at least one (1) hour after the end of their official timed practice session for permission to start at the back of the grid.

20.5.2 At the discretion of the Clerk of the Course competitors' who are not included on the grid for either race may be positioned at the back of their class, if they request to do so in writing within one (1) hour of the last race/practice.

20.5.3 Should a competitor not finish the first race he will be deemed to be a non-starter in the second race refer SSR 29. Permission to start the second race from the back of the grid must be applied for.

20.5.4 Any competitor found doing practice starts when the grid is being formed up will not be permitted to start the race.

- 20.5.5 Starting signal: The Starting signal will be by means of lights. Should these lights fail after the display of the five-second board, a “Start delayed” board will be shown and the start will proceed in accordance with SSR 38 D. i) ii) Motorcycles (White Book) and the MSA flag will be used. All subsequent starts will proceed with the lowering of the MSA flag.

21. PARC FERMÉ

- 21.1 All competitors who have completed two-thirds of race distance are classified as finishers unless otherwise stated by the Clerk of the Course. Finishers are required to bring their motor cycles to Parc Fermé immediately after Qualifying, Race 1 and Race 2. **Parc Ferme is located next to the pit entrance.**
