Time: 7am to 8am

Only riders that have completed Documentation may participate in Official Qualifying.

SCRUTINEERING

We will be working on a self-scrutineering basis and per the motocross regulations. Scrutineering includes checking of motorcycles for compulsory safety equipment (catch bottles, bobbins, etc.), general preparedness as per the class rules as well as competitor's equipment. All motorcycles will be issued with a sticker indicating the motorcycle has passed the required inspection which must be displayed clearly on the motorcycle for the duration of the event. Each owner of each bike to attach the sticker if the bike complies to the scrutineering regulations. Scrutineering will be done in the competitor's pit area unless otherwise stated by the Promoter. No motorcycle may enter the track without the inspection sticker. PARC FERMÉ An area will be designated as the parc ferme area. The Promoter, Clerk of the Course or Race Steward can request any motorcycle to be taken to the parc ferme for further inspection at any time during the course of the event. Failure to present the motorcycle within five (5) minutes of being requested to do so, could result in automatic dis-qualification of the competitor for the rest of the event. Competitors and one (1) assistant will be allowed in the scrutineering area.

Dyno Testing

The decision to have a dyno present at an event is the sole discretion of the Promoter.

If a dyno is present, any competitor can be requested at any time to present their motorcycle for testing.

If a test is requested, a bike shall remain switched off in the demarcated area until testing commences. Failure to comply will result in exclusion from the results for the heat immediately preceding the test.

The Promoter in conjunction with the Clerk of the Course will delegate a person/s to carry out the operation of both the motorcycle and the Dyno during the Dyno check procedure.

Should the bike be found to be in breach of the regulations, penalties will be applied as per the circuit racing SSR2B

For calculation / tolerance purposes, one (1) decimal point will be used with no rounding.

Should the dyno not be present at an event, the Promoter in conjunction with the Clerk of the Course can request a motorcycle to be seized after the event for testing / inspection at a venue chosen by the Promoter in conjunction with the Clerk of the Course at a pre-determined time and date. The competitor will be allowed to be present at the testing / inspection of the motorcycle.

12. COMPETITION NUMBERS

12.1.1 Refer to GCR's 246 (iii), and the relevant category/class regulations. Numbers will only be issued by MSA Head Office – Phone 011 675 2220.
